

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

CURTIS LUX, et al.,

Plaintiff(s),

v.

JORDANA BUCHANAN, et al.,

Defendant(s).

Case No. 2:23-cv-00839-MMD-NJK

Order

[Docket No. 53]

Pending before the Court is Defendants' motion to compel and for sanctions. Docket No. 53. Plaintiffs filed a response in opposition. Docket No. 55. Defendants filed a reply. Docket No. 58. The motion is properly resolved without a hearing. *See* Local Rule 78-1.

Defendants seek to compel responses to written discovery. *See* Docket No. 53 at 3. In reply, Defendants acknowledge that responses were eventually provided. *See* Docket No. 58 at 3. As it is not clear that further discovery exists to be compelled, the motion to compel is **DENIED** as moot.¹

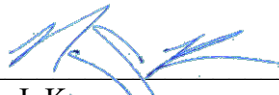

The Court declines to weigh in on the motion for sanctions for several reasons. First, Defendants improperly sought different types of relief within a single filing (both to compel discovery pursuant to Rule 37(a) and to impose case-dispositive sanctions pursuant to Rule 37(d)). The local rules disallow such omnibus motion practice. Local Rule IC 2-2(b); *see also Bank of N.Y. Mellon v. SFR Invs. Pool I, LLC*, 2017 U.S. Dist. Lexis 132101, at *2 (D. Nev. Aug. 18, 2018) (explaining importance of rule). Second, and perhaps relatedly, the request for dispositive

¹ The briefing is bare-bones. To the extent further discovery does exist to be compelled, a motion must be filed providing fulsome discussion of the issues remaining to be resolved and must comply with all applicable rules.

1 sanctions is not sufficiently developed. The argument in favor of dismissal sanctions in the motion
2 consists of one paragraph. Docket No. 53 at 5. The Court does not address arguments that are not
3 meaningfully developed. *Kor Media Grp., LLC v. Green*, 294 F.R.D. 579, 582 n.3 (D. Nev. 2013).
4 The failure to provide robust factual and legal discussion is particularly acute when seeking
5 significant relief, such as case-dispositive sanctions. *See, e.g., Taddeo v. Am. Invsco Corp.*, 2015
6 WL 751072, at *1 (D. Nev. Feb. 20, 2015). Accordingly, the motion for case-dispositive sanctions
7 is **DENIED** without prejudice.² If Defendants continue to seek this relief, they must file a proper
8 motion with robust analysis by December 8, 2023.

9 IT IS SO ORDERED.

10 Dated: November 28, 2023
